## **FOR IMMEDIATE RELEASE**

### **November “Artini Hour” at Mystic Arts Center**

**MYSTIC, CT – October 30 2009** - On **Thursday, November 12**, the Mystic Arts Center will host *Artini Hour*, the new kind of happy hour, in the Arts Center’s KTJ Studios.

From 5:30 – 7:30 pm, guests can sip on a cocktail and nosh on treats while engaging their creative side in a no-experience-required art project.

This is the second Artini Hour in the new series, and will focus on easy painting techniques that can be used for holiday card-making and gift giving. All materials and inspiration for the projects are provided. Instructor Laura Gaffke is an exceptional teacher and artist who will help guests transform paper into meaningful gifts such as scrapbooks, journals or artwork.

Each month, a new Artini program will feature different projects and media for participants who enjoy creating, prefer a bit of guidance, and want to socialize while they do it. Future Artini Hours include *Beadazzle*, a beading workshop on Thursday, December 3 and *Get Wired* which will be held on Thursday, January 21.

The November program is \$8 for MAC members, and \$12 for general public. To register or find more information, call 860.536-7601x209 or visit [www.mysticarts.org](http://www.mysticarts.org).

The Mystic Arts Center is located at 9 Water Street in downtown Mystic. The Arts Center is a non-profit organization dedicated to connecting community with current creative expression, cultural enrichment and Mystic’s rich artistic heritage. Open daily 11 am – 5 pm.
